hedge funds™**

100 Women in Hedge Funds Race for the Cure

If you are a walker or runner, New Yorker, suburbanite or just need an excuse for an autumn weekend trip to NYC, please consider joining us at this NYC tradition, continue the organization's support for breast cancer research and meet and enjoy the experience with other members. We have established a team to facilitate registration and recognition for our efforts and we will meet before the race so that we can walk together.

Beginning in 2003, men are invited to run in the Komen New York City Race for the Cure. Feel free to invite your spouses, children, siblings and colleagues to run on our team.

For the third year, we will have team T-shirts with sponsors' logos on the back. Please contact Heather Balke at Heather.Balke@barclayscapital.com if you or your company is interested participating. The T-shirts are a great keepsake and this is a fun, low cost way to demonstrate support for our organization and the cause. (\$100 for logo on back and five complimentary tee shirts).
