

**100 Women in Hedge Funds National Ovarian Cancer Early Detection Program:
A Discussion with Dr. David A. Fishman**

Tuesday, February 27, 2007 at 5:30 PM

In recognition of our contribution from the 2005 gala, the NYU Cancer Institute's National Ovarian Cancer Early Detection Program was renamed the 100 Women in Hedge Funds National Ovarian Cancer Early Detection Program. Join us for an evening with Dr. David A. Fishman, Professor/Director at NYU Medical Center and an innovator in the field of gynecologic oncology, who will discuss the importance of early detection and how our fundraising efforts have advanced his research.

Event Details:

Date: Tuesday, February 27th, 2007

Biography:

Dr. David A. Fishman, M.D. Professor of Obstetrics and Gynecology and the Director of Gynecologic Oncology at New York University School of Medicine, is an internationally recognized gynecologic oncologist, especially noted for his innovative research on the regulation of ovarian metastasis and in developing new methods for the early detection of ovarian carcinoma. Dr. Fishman also serves as the Director of Cancer Screening and Prevention at the

New York University Cancer Institute and is Professor of Graduate Faculty, Sackler Institute of Graduate Biomedical Sciences. Dr. Fishman received his medical degree from Texas Tech School of Medicine and completed his residency and fellowship in Obstetrics and Gynecology and Gynecologic Oncology at the Yale University School of Medicine. Dr. Fishman has authored over 230 scientific papers, abstracts and book chapters and 5 books on gynecologic malignancies. His research has received awards from the National Institutes of Health, National Cancer Institute, Society of Gynecologic Oncologists, Gynecologic Cancer Foundation, American Cancer Society and the Berlex Foundation. He provides editorial service for 43 medical and scientific journals and is a member of national and international cancer institute study sections from the National Cancer Institute and Centers for Disease Control to the Royal College of Obstetricians and Gynaecologists. He is a member of many medical societies and patient advocacy groups including the American Gynecologic and Obstetrical Society, Society for Gynecologic Investigation, AOA, the Society of Gynecologic Oncologists and the National Ovarian Cancer Coalition.

We would like to thank UBS Investment Bank, our Fifth Anniversary Corporate Sponsor, for generously underwriting costs associated with the Fifth Anniversary celebrations.
