Susan G. Komen Race for the Cure - New York

September 14, 2008 at 9 AM
New York

Please join the New York Team 100 Women in Hedge Funds in supporting the Susan G. Komen Race for the Cure this year as we walk and run on Sunday, September 14th. This is the seventh year that we have had a team in New York; as our organization has grown, we have increased our team participation and fundraising impact. Last year we had a team of 152 people and we raised over \$85,000. Our goal this year is to have more than 200 participants with each participant fundraising for donations of \$1000 each. We should be able to achieve this and possibly raise \$200,000.

If you are a walker or runner, New Yorker, suburbanite or just need an excuse for an early autumn weekend trip to NYC, please consider joining us at this NYC tradition, continue the organization's support for breast cancer research and meet other members. (You may even run into Cynthia Nixon - this year's Grand Marshal for the race!)

Men, women and children are welcome to be part of the team. Feel free to invite your spouses, significant others, children, siblings and colleagues. T-shirts and other paraphernalia will be distributed on race day.

We have established a team on the Komen website (www.komennyc.org) to facilitate registration and recognition for our efforts.
