**Education Session No. 124:
Byron Wien's 10 Surprises for 2009**

26 January, 2009 at 6:30 PM
London

Please join us as we welcome our distinguished speaker Byron Wien, Chief Investment Strategist at Pequot Capital. Byron Wien is well known for his annual top 10 list of "Surprises of the New Year." For the past twenty-four years, Byron Wien published 10 investment-related forecasts on the first business day of January. A "Surprise" is defined as an investment possibility that most portfolio managers would assign only a one in three probability of happening, but where Byron believes the likelihood of the event taking place is better than 50%.

In previous years, more than half of the elements of the Top 10 Surprises have proven correct.
