By invitation only: Senior Practitioners' breakfast and exhibit of Modern Art at Sotheby's, London

March 26, 2010 at 8:30 AM
London

Sotheby's and the 100 Women in Hedge Funds in London would be delighted if you would join us for a private breakfast and tour to view the Old Master, Modern and Contemporary Prints sale on Friday, March 26th.

The Old Master, Modern and Contemporary Prints sale encompasses 500 years of the graphic achievement of artists as diverse as Rembrandt and Damien Hirst. Almost without exception the great artists of the history of western art have used prints as a medium to explore themes common to the rest of their work, be it Picasso's women or Andy Warhol's 20th Century Icons such as Marilyn Monroe. The POP artists are also strongly represented with key works by Lichtenstein and Warhol. The sale provides a window into this legacy and is particularly strong in the exquisite etchings of Rembrandt, and works by modern masters such as Matisse, Miro and Picasso.

Check-in starts at 8:30am from which time the breakfast also commences. The tour will begin promptly at 09.00am and finish no later than 10.00am.
