Senior Practitioner Lunch Presentation on European Distressed Debt - An Historic Opportunity

October 13, 2010 at 11:45 AM
Geneva

Galia Velimukhametova of GLG Partners, who runs the GLG European Distressed Fund, will present on what she believes to be an historic opportunity in distressed debt. The synchronised global financial crisis has led to the distressed cycle being deeper and longer than previous cycles resulting in investment opportunity. A second wave of defaults is in prospect due to the current sovereign crisis.

Our host Bloomberg will demonstrate its data capabilities for tracking and analysing instruments in this market.
