**Explore the Pictet Art Collection and Enjoy Cocktails and Networking:
Senior Practitioners Only**

May 15, 2012 at 6:30 PM
Geneva

Art plays a key role in our lives and businesses by stimulating our senses in an ever-changing world. Pictet has assembled an outstanding art collection of works by Swiss artists that reflect the times in which the Bank has conducted its business, from 1805 to the present.

The collection includes a broad range of subject matter and form; the works embody key Pictet values: excellence, innovation and independence.

Join us when Jean-Francois Demole, Partner of Pictet & Cie, and Loa Pictet, Collection Curator, describe the collection and lead a guided tour of selected works. The event will feature a cocktail buffet and networking with peers and members.
