Career Speed Networking for Next Gen

May 17, 2012 at 5:30 PM
New York

Please join the Next Gen Committee for our first Speed Networking with 100WHF Networking Event. Next Gen members will network with six of our 100WHF senior practitioners. The format of the event will mirror a traditional speed dating setting with senior members seated at different tables and Next Gen members, in groups of 4-5, rotating among them. The senior professionals invited come from a variety of backgrounds and represent each of the major verticals within the hedge fund industry, including marketing, legal, operations, investor relations and investments.

The event will be limited to 30 Next Gen members to allow for meaningful conversation. For those who cannot attend this session, we plan to offer additional sessions going forward.

The event will be a two-hour open bar with passed hors d'oeuvres and will cost \$55 per person.
