

Your Style, Your Way

September 19, 2012 at 6 PM
New York

You have a personal style already. Is it deliberate and by design or catch-as-catch-can? Consider that your wardrobe is an investment with a measurable rate of return: how others perceive you, how they negotiate with you and how you are compensated, among other career-related issues. Join your fellow Next Gen colleagues at the Elie Tahari Store where consultants from Style For Hire will demonstrate how to create a comprehensive personal wardrobe that captures and projects your style. Attendees will enjoy a 30% discount on purchases on Tahari's new collection.
