2012 Inaugural Hong Kong Philanthropy Event

November 22, 2012 at 6 PM
Hong Kong

Following the repeated success of 100WHF's London, New York and Geneva Galas, as well as well over 350 events globally, we are pleased to announce our inaugural philanthropy event in Hong Kong. Taste fine wines at the exclusive rooftop terrace of Hong Kong's first and only Tiki-themed cocktail lounge for a good cause. We are delighted to invite you, your peers, families and friends to join our first ever charity fundraising event. There will be a brief introduction to the newly created 100WHF Hong Kong philanthropic initiative and its objectives, by our Co-Founder Carol Kim.

Enjoy a welcome drink courtesy of Honi Honi Cocktail Lounge: the signature Lady Bird cocktail. Throughout the evening, experts from Italian Wine Merchants will guide you through five select wines, in support of the Hong Kong Breast Cancer Foundation.

Proceeds of the event ticket sales will support the Hong Kong Breast Cancer Foundation (HKBCF). Each ticket is priced at HK\$ 320 per person.

About Honi Honi Cocktail Lounge

Honi Honi is a veritable haven of elegance and design, serving up fresh cocktails designed by seasoned drink connoisseur and partner Max Traverse, from London's Monte's Club, The Library Bar (Lanesborough Hotel), The Cuckoo Club (Piccadilly), the Hoxton Pony, and most recently, Hong Kong's own Le Boudoir. At Honi Honi, Traverse's concept is to create a tailor made venue to match his style and service, bringing back a time when a bartender could concoct exactly the right tittle for clientele he would know by name.

In addition to what is probably the most expansive list of rums the city has ever seen, Traverse's drinks menu includes the usual tiki suspects, as well as many novel creations such as his Maori Spring Punch, a refreshing mix of 42BELOW vodka, fresh lime juice, fresh watermelon, red thai chilli, lemon grass and honey syrup served in a tall tiki mug.

Honi Honi boasts a highly detailed aesthetic and finely balanced design consisting of classic Polynesian elements, generous use of color and patterns, and architectural creations of timber and bamboo. With the terrace adorned lush greenery and sculpted furniture, it is the perfect space to kick back and relax to live grooves by day and party among Hong Kong's vibrant revelers by night - truly an escape at the heart of the city.
