About All Special Kids (ASK)

All Special Kids (ASK) is a Geneva-based non-profit organization founded by Joy Tong in 2003. ASK runs programs for children with all types of special needs and learning difficulties aimed at enabling them to become a productive and independent member of society.

ASK C.A.R.E. program offers parents a forum to network with each other and provides much needed personal assistance, such as specialist referral services, educational assessment and coping skill workshops. ASK also provide a range of programs aimed at the children, including summer camps, study skills and homework clubs, and social drama clubs. Funds raised by 100WHF will help to expand these programs, specifically, the summer camps and homework club programs in Geneva, Vaud and Zurich.

Commenting on 100 Women in Hedge Funds' selection decision Joy Tong, President of ASK, said, "We are honoured to be chosen as the 2012 recipient of grant funding by 100 Women in Hedge Funds in Geneva. Our mission of supporting the families of children with special needs and learning differences mirrors 100WHF's long history of making a difference through supporting organizations that focus on family health, education and mentoring. We are proud to partner and look forward to working together throughout the year."
