Paris Women Strategy Lunch

May 21, 2013 at 12:15 PM
Paris

Regulation, Regulation, Regulation? How will regulation impact the local alternative environment?

Given the many challenges facing our industry today, let's enjoy an informal discussion of regulatory changes and their impact on the alternative investment sector. Join a group of senior practitioners and share how your firm is adapting to this new environment. Learn how colleagues view the outlook for future changes and network in truly remarkable surroundings at the 2nd Annual 100 Women in Hedge Funds Paris Senior Practitioners Luncheon. Our thanks to JPMorgan Chase for this opportunity for those who attended last year to continue our discussions and to hear new ideas from those joining us for the first time in Paris.
