2013 MoonWalk New York City

July 20, 2013 at 8 PM
New York

100WHF is excited to participate in The MoonWalk New York City inaugural race on the evening of Saturday, July 20, 2013. The MoonWalk, the signature fundraising platform of the globally recognized grant making charity Walk the Walk, is a power walk marathon (or half marathon) through the streets of New York City, in the middle of the night, wearing decorated bras, in support of breast cancer initiatives. Since the first MoonWalk 15 years ago, over 300,000 people have participated in annual MoonWalks in London, Edinburgh and Iceland, raising over \$126mm for breast cancer causes.

Together with thousands of other women and men, 100WHF will be walking through New York City overnight to spread awareness and help raise critical funds to help support the [Breast Examination Center of Harlem](#), an outreach program of Memorial Sloan-Kettering Cancer Center, in their goal to provide access to care for all patients living with breast cancer.

Your spouse, significant other, siblings, friends and colleagues are also welcome to be part of the team and meet other 100WHF members in an informal setting that promises to be a fun and memorable event. Click [here](#) to join the 100WHF team and learn about team training. The registration fee is \$75.00 prior to May 21, 2013.
