About Chadbourne & Parke LLP

Chadbourne's Private Funds practice has extensive experience working with sponsors to structure, launch, negotiate and close private funds around the world. Our experience covers fund formation, deal execution, management structuring and regulatory advice across a broad range of fund classes, including buyout, hedge, venture capital, infrastructure, real estate, mezzanine, distressed and funds of funds. Recently, our practice was ranked by The Legal 500 United States 2013 in the category "Investment Fund Formation and Management." Our core business includes advising our clients on the following types of matters: private equity and hedge fund formations; establishment and acquisition of alternative asset managers, and the ongoing management of their funds and separately managed accounts; regulatory and compliance matters; and investments in private funds, including the evaluation of fund documents for alternative investments.

A New York-based international law firm, Chadbourne partners with our clients to promote their business objectives around the world. We offer a full range of legal services and deliver innovative and effective results drawing on our local expertise and relationships in our international platform of 12 offices across four continents. Recognized by Chambers Global in 22 practice areas and in 16 regions, we have developed a unique focus on emerging markets and offer significant experience and depth in energy and infrastructure, international disputes, Latin American corporate and finance transactions, corporate M&A, and bankruptcy and financial restructuring.

About Strategic Value Partners

Strategic Value Partners, LLC is a distressed and deep value investment firm with approximately \$4 billion in assets under management and was founded in 2001 by Victor Khosla. As of October 1, 2012, the firm had over 100 employees, including 39 investment professionals, across its main offices in Greenwich (CT), London, Frankfurt and Tokyo. SVP's focus is on distressed, deep-value opportunities in middle-market companies where it can typically exert significant influence or, in some circumstances, obtain outright control. SVP typically takes an active role in transactions, whether driving the financial restructuring of companies facing bankruptcy, on ad hoc or formal creditors' committees, or leading the turnaround of a business by driving the strategic and operational direction of the company.
