Governor Jeb Bush: Outlook for the US and beyond

November 11, 2014 at 6:30 PM
London

With mid-term elections being held on 4 November, we are pleased to offer the insights of Governor Jeb Bush, 43rd Governor of the State of Florida and Senior Advisor to Barclays Investment Bank. He will provide his view on the outcome of the elections and an outlook for the remaining term of President Obama. Governor Bush will talk about future challenges faced by the US including education, opportunity and immigration, as well as US foreign policy in Europe, the Middle East and Asia.

Admission to this event is free, but there is a £20 charge if you register and do not attend (even if you cancel in advance). No-show proceeds will be donated to WellChild, the 2014 beneficiary of 100WHF's UK philanthropic initiatives.

If you have no-show fees in arrears, the system cannot register you for an event. You can view and pay for any outstanding no-show fees online from your [Member Profile](#)

Space is limited. No walk-ins will be permitted.

Biography

Governor Jeb Bush

Jeb Bush is the 43rd governor of the state of Florida, serving from 1999 through 2007. During his two terms, Bush remained true to his conservative principles, cutting taxes, vetoing earmarks and championing major reform of government programs.

Under his leadership, Florida was on the forefront of consumer healthcare advances, led the nation in job growth, and launched and accelerated restoration of America's Everglades. In education, Florida raised academic standards, required accountability in public schools and created the most ambitious school choice program in the nation. As a result, Florida students have made the greatest gains in academic achievement and Florida is one of a handful of states to significantly narrow the achievement gap.

Bush maintains his passion for improving the quality of education for students by serving as the chairman of two leading K-12 education reform organizations: the Foundation for Excellence in Education and Foundation for Florida's Future which work with state and education leaders, teachers, parents and advocates to develop and implement reforms that lead to rising student achievement.

On March 5, 2013, his book *Immigration Wars: Forging an American Solution*, written with leading constitutional litigator Clint Bolick was published by *Simon & Schuster: Threshold Editions*. Rooted in the fundamental thought that immigration is vital to America's future - fueling its growth, vibrancy, and creativity - Bush and Bolick have constructed an enduring solution that remains true the rule of law and our immigrant heritage.

Currently, Bush is the President of the consulting firm Jeb Bush and Associates. He is on the boards of Tenet Healthcare Corporation and Rayonier, Inc.

He lives in Miami with his wife Columba. They have three children and three grandchildren.
