

100WHF Bermuda Launch Event

June 22, 2015 at 3:45 PM
Southampton, Bermuda

On behalf of the more than 13,000 members of 100 Women in Hedge Funds, you are cordially invited to the launch of the Bermuda location of 100WHF.

The event program features **James Rosebush**, former Deputy Assistant to Ronald Reagan and Chief of Staff to the First Lady and **Natalie Deak Jaros**, EY's Hedge Fund Markets Leader in the Americas. Rosebush will share stories from his White House experiences, with an emphasis on how to effectively communicate. Deak Jaros will provide opening remarks, sharing insights around accelerating the role of women as an economic imperative.

Alison Morrison, member of the Bermuda Education Committee, will present a brief overview of the international organization, plus information about membership, involvement and future events.

Join us from 3:45 PM for registration and networking with high tea and petit fours served, hosted by EY. Speakers begin promptly at 4:15 PM with the event closing by 5:00 PM.

Your participation will help make this location a forum for women in this community to meet and learn from each other through educational events.

Immediately following this 100WHF event, members may attend the Global Fund Forum's Welcome Reception beginning at 5 PM, which features two keynote speakers. In addition, if you want to attend The Global Fund Forum program, June 23-24th, 100WHF participants may take advantage of a 30% discount. Please visit *100WHF Connect!* [Member Benefits](#) for the discount code and to register.

You are welcome to pass this information along to other female colleagues or contacts who may also be interested in learning more about 100WHF. We look forward to seeing you soon.
