

Market Opening Ceremony at the HK Exchange

June 30, 2015 at 12:30 PM
Hong Kong

A privilege usually reserved for newly listed companies, the Hong Kong Exchange (HKEx) is welcoming 100 Women in Hedge Funds to participate in a Market Open Ceremony, marking the start of afternoon trading on Asia's second largest stock exchange, by market capitalization, and Asia's largest market for IPOs.

We will be celebrating 13 years of 100WHF with a retrospective from our CEO, Amanda Pullinger, what we have achieved to date through 13,000 members, across 20 locations in 3 continents, and what we are aiming to achieve in the future.

Joining us will also be Emma Reynolds who will speak to many of the topics our location focuses on in Hong Kong, maximizing human capital, women in business and inspiring young women to become future leaders in our industry.

Our speakers will discuss:

- The evolution of 100WHF from launch in 2001 to today
- The challenges and successes in managing a global organization with over 350 volunteers, across 3 continents
- Women in Business
- Maximising human capital in Hong Kong

100WHF invites you to bring a colleague or your daughter, niece, or any young woman you mentor as part of *Celebrating Education - Investing in the Next Generation* initiative.

100WHF attendees are encouraged to live tweet from HKEx referencing @100_WHF and #celebratingeducation.
