# J. McLaughlin

## About J McLaughlin (<http://www.jmclaughlin.com/>)

J. McLaughlin was started in 1977 by two brothers, Jay and Kevin. Their goal was to create a new American sportswear brand, one based in New York and built on pretty basic concepts: classic clothes with current relevance, sold in a friendly retail environment that had a neighborhood feel. J. McLaughlin values tradition. It is more about style than fashion: straightforward, unpretentious clothing and accessories that encourage a natural sense of ease and confidence.

With over 100 retail locations throughout the country, J. McLaughlin boutiques occupy some of the most picturesque main-street real estate in America. True to the vision of the McLaughlin brothers, the stores have a warmly residential feel and exemplary customer service. "Being a good neighbor" is central to the brand's approach to business, and J. McLaughlin puts special value on being a welcome and active member of each community in which it is based.
