Start off Spring With a Professional Headshot

March 30, 2016
New York

Professional recruiters rely on LinkedIn as their number one source for viable candidates. That means you have only a few seconds to catch their eye - a professional headshot may be your ticket to your next great gig. Even if you're not in job-search mode, you'll want an attractive headshot to round out your portfolio. Join us on March 30 in New York City for a photo and professional make up session.

100WHF is again partnering with Kimara Ahnert Makeup Studio, "one of New York City's best-kept beauty secrets," located at 83rd and Madison Avenue. You will receive a personal makeup application prior to your photography session with photographer Alejandro IV Barragan. We are offering this event at an attractive price of \$195, which includes a \$25 gift card toward any purchase at the boutique, tips to the makeup artists, and a \$25 contribution to 100WHF's designated US charity for 2016.

Please mark your calendar for Wednesday, March 30, to participate in this special event, and click on the RSVP Now link below to lock in your appointment. Because these events sell out quickly, we encourage you to sign up immediately. If there is sufficient interest, we will create a wait list for an additional day.

You will receive an email prior to the event with final instructions, tips on what to wear, what to expect, and other details on logistics.

Our designated photographer, Alejandro, has over 20 years of professional experience. Alejandro's company, Unleashed Vision (Unleashedvision.com), specializes in editorial and portraiture photography. This will be his fifth event with 100WHF.
