Annual International Spring Cocktail

April 26, 2016 at 6:30 PM
Paris

Mix and mingle with your 100WHF peers at our Annual Spring Cocktail event, which brings together local and our international members attending the EuroHedge Summit.

You are welcome to invite industry colleagues, so they can learn more about our organization and our exciting 2016 initiatives. Join us for an evening of champagne, petits-fours, and networking in a lively Parisian setting.

About KeyQuant SA

KeyQuant was founded in December 2009 by portfolio managers Robert Baguenault de Viéville and Raphaël Gelrubin. KeyQuant's award-winning fully systematic investment strategy, the Key Trends Program, has produced a net annualized return since inception of 16%, placing the strategy at the top of its peer group. Key Trends employs unique trading signals, such as a matrix of virtual investors to identify market trends, coupled with an unusual approach to measuring extreme risk. KeyQuant has been able to deliver strong positive returns to its institutional clients with a low correlation to the major equity indices. Mr. Baguenault de Viéville holds a Masters Degree from HEC and an engineering degree from ESTACA, while Mr. Gelrubin holds a statistical degree from ENSAE and a Master's degree in applied mathematics from the University Paris Dauphine.
