**Education Session No. 641:
Demystifying China**

May 31, 2016 at 6 PM
San Francisco, CA

Is the Chinese economy headed for a hard landing? Its future direction is a major source of uncertainty in global markets. With much of the world leveraged to Chinese economic and policy developments, the health of the Chinese economy is central to market discussions. Get a closer view on the outlook for China from Andy Rothman, Matthews Asia and author of Demystifying China, a series of reports that addresses misconceptions about issues in China. Bring your questions about the Chinese economy and learn key insights with implications for current and future investment.
