By Invite Only: *EQUITY* Movie Private Screening

August 22, 2016 at 7 PM
New York

You know all about the deals and players on the Street. See how a team of women (writer, director, stars and investors) capture the action and give women all the credit. At a private screening, Candy Straight, Executive Producer and 100WHF Women on Boards initiative participant, will host a Q&A after the movie alongside Amy Fox, the film's screenwriter. Grab this opportunity to get inside the film and its production, as you share perspectives with your peers.

ABOUT THE FILM:

When senior investment banker Naomi Bishop (Anna Gunn) is passed over for a promotion at her Wall Street firm, she fights for the opportunity to take a start-up public, hoping this promising IPO will secure her a place at the firm's highest level. But when an employee at the start-up raises questions about a possible crack in the company's walls, Naomi must decide whether to investigate rumors that may compromise the deal, or push forward with the confidence her superiors expect.
