### **Make Your Professional Image Pop**

September 26, 2016  
New York

It's time to ramp up your headshot. We all know that LinkedIn is the primo talent resource for recruiters - so a crisp, professional photo is one way to guarantee you'll stand out in their search. Join us for another photography and Kimara Ahnert makeup session to create an updated, professional look to ensure you are front and center on recruiters' radar screen.

100WHF is again partnering with Kimara Ahnert Makeup Studio, "one of New York City's best-kept beauty secrets," located at 83rd and Madison Avenue. You will receive a personal makeup application prior to your photography session with photographer Alejandro IV Barragan. We are offering this event at an attractive price of \$195, which includes a \$25 gift card toward any purchase at the boutique, tips to the makeup artists, and a \$25 contribution to Minds Matter, the 100WHF designated US beneficiary for 2016.

Mark your calendar for Monday, September 26, to take advantage of this special opportunity. Click on the blue link below, [RSVP Now](#), to lock in your appointment for this event. Because these events sell out quickly, we encourage you to sign up immediately. We are creating a wait list, and if there is sufficient interest, we may set up an additional day.

You will receive an email prior to the event with specific details on what to wear, what to expect, and other logistics. All photos taken are yours to keep in digital format. The photographer will lightly touch up 3 and size them for low and high resolution. This shoot is designed for social media and business needs (websites, speaking engagements).

If you require a photo for a book or a product you are selling, copyright laws apply, and you will need a contract with the photographer.
