### **100WHF Launches a New Global Location in Malta**

November 1, 2016 at 6:30 PM  
Valletta, Malta

100WHF invites you to the official launch of its newest location in Valletta, Malta. Enjoy cocktails, canapés, network with colleagues, and listen to keynote speakers, including Amanda Pullinger, CEO of 100WHF. Ms. Pullinger will present a brief overview of the global organization, which now has more than 15,000 members worldwide in 21 locations, and an overview of upcoming events.

Malta has a burgeoning investment community; women occupy positions in asset allocation, investment selection, due diligence, research, financial analysis, education and marketing. Your participation will help make this location a forum for women in this community to meet and learn from each other through educational events and other peer to peer opportunities.

You are welcome to invite other women in the alternatives or broader financial industry based in Malta to become members of 100WHF and attend this event.

We look forward to meeting you soon.
