### **Welcome to the Launch of 100WHF Next Gen Group Singapore**

November 21, 2016 at 5:30 PM  
Singapore

Peer Engagement, Education, Career Development and Philanthropy: 100 Women in Hedge Funds has it all. The 100WHF Next Generation ("Next Gen") initiative is unique to the financial services industry and our group is targeted at women with fewer than ten years' experience in the alternatives industry. At our events, you will hear from leaders in the sector about the lessons they learned, get insights into the outlook for the financial markets, strengthen your professional network and hone your skills for advancement.

At the launch of the Next Gen group in Singapore, Amanda Pullinger, CEO, 100WHF, and other industry professionals, spanning gender, seniority and roles, will reflect on their respective career highlights. Learn about upcoming programs and consider how you might become involved in the group.

Please feel free to extend this invitation to your female colleagues, clients, and friends who might be interested in attending. Before registering for the event, please advise them to become a [100WHF full member](#) if not already a member. Members are also encouraged to complete our [Next Gen Singapore Survey](#) so that we can better tailor our activities and programs around members' interests. If you have difficulty accessing the form, please let us know and we will send you a soft copy.
