**Education Session No. 681:
Holiday Event and Election Outcomes**

November 30, 2016 at 6 PM
Boston, MA

The election results will determine who will control the White House, the House of Representatives and the Senate in 2017. Beyond political control, the election will set the country's agenda. We will recap the election outcome with an emphasis on potential legislative policy, the fiscal landscape and the outlook for tax reform. How will this affect you? As corporate and individual tax payers, we need to anticipate possible changes ahead.

Given the coverage and contention of this US election, join us for fun holiday cocktails and hors d'oeuvres afterwards to celebrate the end of 2016 and toast 2017 with friends, peers and new acquaintances.
