

## Champagne Fundraiser to Benefit Massey Centre

November 5, 2015 at 5 PM  
Toronto

Fashion, champagne and fundraising; networking, canapés and shopping. It's a terrific evening for a great cause in a year where 100WHF is Celebrating Education.

Spice up your wardrobe with clothes with a Holiday Resort theme; consultants from Pink Tartan will provide fashion guidance. Note: 20% of the value of your purchase will be donated to Massey Centre, the 100WHF 2015 Toronto philanthropy beneficiary. All guests making a purchase will also receive a \$50 Four Seasons Spa Certificate.

Network with peers; toast new connections with champagne and enjoy delicious canapés.

As you may be aware, Massey Centre offers vital support to pregnant adolescents aged 13-25. They provide a safe and nurturing environment, allowing these young women to complete their high school education, while learning to parent their babies. Massey Centre's goal is to see new mothers and their children leave the program with confidence and belief in their potential. New lives start at Massey Centre, with your help.

You may purchase your ticket for CA\$50 via the RSVP link; net proceeds will be donated to Massey Centre. Friends and colleagues are welcome to attend. Space is limited, so register today. No walk-ins will be permitted.

Please [click here](#) to view the pdf invitation.

If you are unable to attend, but interested in making a donation, please email [giving@massey.ca](mailto:giving@massey.ca).

Space is limited. No walk-ins will be permitted.

**About Massey Centre ([www.massey.ca](http://www.massey.ca))**

Pregnant and alone, Massey Centre welcomes adolescent women and girls (ages 13-25) into a safe and nurturing residential program. Each young mom who comes to the Massey Centre is vulnerable and needs help. She has decided to keep her baby - but doesn't have the emotional, social or economic support to care for her baby. With your help, Massey Centre makes sure each young mom has access to prenatal care to ensure a healthy pregnancy, learns how to care for her baby, continues her high school education and develops the skills needed to build a successful life for herself and her baby. Indeed new lives start here.
